

Team Leader - Adelaide Financial Wellbeing Service

- Be part of establishing an exciting new service working with First Nations (Anangu) people in Adelaide.
- Bring your leadership skills and expertise in providing holistic financial counselling/financial capability to head up a small team.
- Undertake assertive outreach to First Nations clients in their homes and community locations, working in a flexible, trauma-informed, culturally sensitive way with families and individuals.
- Network and collaborate with and contribute to Adelaide community services and forums
- Rewarding opportunity within a purpose-driven organisation committed to making an impact
- Enjoy a salary between \$99,343K - \$103,839K inclusive of leave loading, plus 11.5% super and other significant benefits

MoneyMob is committed to First Nations employment and a culturally competent workplace. Suitably qualified First Nations applicants are strongly encouraged to apply!

About Us

About MoneyMob Talkabout

Are you searching for more than just a job? Picture yourself immersed in a work culture where every day brings meaningful connections and purposeful impact on a personal level. Picture being surrounded by passionate people who not only share your values but are dedicated advocates for a more inclusive and equitable society. With Money Mob you'll have the opportunity to directly touch the lives of those most in need, growing genuine connections, respect and capability. We're not just another workplace – we're a community where diversity is celebrated, where every voice is heard and valued.

Our clients are more than just clients; they're our partners, and we treat them with the utmost respect and equality. If you've been yearning for a role that offers diversity, growth, and professional enrichment, this is it. Here, you'll embark on a journey of continuous learning, where each interaction with our clients teaches us as much as we impart.

Laughter, camaraderie and support is woven into the fabric of our environment, even as we support our clients in facing some of life's toughest challenges. We're a team that looks out for one another, where transparency and openness flourish. Be part of something special. If you're passionate about championing First Nations self-determination, embracing diversity, and empowering others, and being part of a close knit team who support each other, then come and join our team where we share one vision yet travel countless journeys.

We are seeking candidates who:

- Have maturity and life experience
- Value integrity and have a passion for First nations self-determination in Australia.
- Are open, transparent and inclusive.
- Are life-long learners and flexible and adaptable to their environment and their clients needs.
- Have clients' needs at the heart of their work.

- Want to work for a specialist organisation with a strong purpose

You'll be motivated to contribute to our vision and growth by working with us in this new role. You'll help us establish a strong presence in Adelaide as we set up this new service. You'll become known for your courageous, insightful support for vulnerable clients. You'll derive satisfaction from seeing your colleagues and clients gain new financial skills, knowledge and strengths.

The successful applicant will have:

- Qualifications as a financial counsellor or financial capability worker and/or minimum certificate IV qualification in a community services related discipline
- Experience leading and motivating a small team
- Extensive experience in the Community Sector working with people with complex needs, undertaking assertive outreach, supporting clients to address financial problems
- Experience working with First Nations people or culturally and linguistically diverse communities
- Advanced communication skills across all domains - verbal, writing, listening and emotional intelligence
- Excellent administrative, time management and IT skills
- Unrestricted Drivers' License and right to work in Australia

In your first six months, you'll:

- Undertake cultural awareness training and induction through a trip to Alice Springs & the APY Lands
- Be involved in recruitment for your team
- Meet, get to know and support clients in Adelaide with their needs
- Network and advocate with peers, relevant agencies and contacts.
- Ensure **administration** is maintained to a high standard

As a MoneyMob team member you'll enjoy:

- Attractive remuneration \$99K - \$103K (inclusive of leave loading - depending on qualifications and experience) PLUS super
- **Remote salary sacrificing** options
- **Relocation assistance if required**
- **6 weeks annual leave**
- **Employee Assistance Program**
- **\$500** annual wellbeing payment
- 5 days mandated additional breaks (**mini-breaks**)
- **Access to external professional supervision** and a **supportive culture** that values continuous learning and improvement

What are the next steps?

If you're looking for a role with purpose - please:

- *Carefully read and consider the Information for Applicants on our website*
- Submit a cover Letter and response to the key selection criteria
- Provide contact details of two recent referees who have **directly** supervised you

To view the full position description please click on link to website : [MMT Website](#)

You will be welcomed into a friendly + passionate team.

To discuss the position, please contact Carolyn Cartwright - Managing Director - (08) 8953 2410.

PLEASE NOTE:

Working in the community sector with complex clients requires sound physical and psychological fitness. Community sector work carries a likelihood of staff exposure to acute or prolonged stress due to the inherent nature of the roles - particularly considering the levels of ongoing and intergenerational trauma carried by First Nations communities. **We do not recommend this work as suitable for candidates whose life experience includes significant personal loss, severe traumatic victimisation or serious mental illness.**

Employment will be subject to a National Police Clearance, Working with Children Check, pre-employment medical check and psychological screening.
