About MoneyMob Talkabout

MoneyMob Talkabout is a not-for-profit organisation providing financial counselling and capability casework, financial literacy and energy efficiency education and community development programs. We are funded to deliver services to Anangu in Adelaide, the Anangu Pitjantjatjara Yankunytjatjara (APY) Lands in northern South Australia, and in the Northern Territory.

The MoneyMob financial literacy education program was founded in 2009 as a small travelling program that raised awareness in advance of visiting money management services across the Northern Territory. In 2012 as a result of a successful funding application, we established a place-based “Money Hub” in the APY Lands to provide ongoing support to Anangu. The establishment of the services was guided by advice from APY communities. In 2015, we incorporated as an independent not-for-profit organisation.

We are governed by a majority First Nations Board of Directors with diverse backgrounds and skill sets, including directors from the communities we serve. Our cultural governance continues to

strengthen, with an Anangu Advisory Board embedded in our organisational structure. ensure First Nations voices, particularly Anangu, are embedded in our governance and service delivery models.
